

Word Cycle

Directions:

Read the list of words in the circle above. Select one word and place it in any oval. In the next oval, place another word that is related to the first. They could be synonyms, antonyms, steps in a process, examples of something, and so on. Be prepared to finish the statement "Word A is related to word B because" Write a note on the band in between the words to remind yourself of the relationship. Continue this process until you have placed all the words. Plan ahead; the last few words will be tricky to place.

The Water Cycle [NAME:]

3	All connecting phrases succinctly and accurately explain the relationships between/among terms.
2	Most connecting phrases accurately explain the relationships between/among the terms.
1	Several connecting phrases are missing or show a lack of understanding of the relationships between/among terms.
